## Why partner with MOR? Make a difference

MOR invites you to become a corporate partner. As a corporate partner, you'll be part of bringing compelling and beautiful new works to the world. You'll also help sustain MOR's unique mission. MOR is the only organization in the world with a continuing initiative to commission new Holocaust-inspired music by today's leading composers. MOR has commissioned and premiered over thirty new works that include chamber music, opera, song, oratorio, dance and film score. We tell stories that communicate urgent lessons for today, and we look beyond the Holocaust itself to the experience of others who have been excluded or persecuted for their faith, ethnicity, gender or sexuality. Together, we can continue sharing stories that the world needs to hear, and that communicate profound messages that are more relevant than ever today.
