DAVID TONKONOGUI MEMORIAL AWARD

APPLICATION DEADLINE: APRIL 1, 2019

Music of Remembrance fills a unique cultural role in Seattle and throughout the world by remembering the Holocaust through music with concert performances, educational programs, recordings and commissions of new works. In 2005, MOR established the David Tonkonogui Memorial Award in memory of our beloved friend and inspiring colleague, cellist David Tonkonogui. Through this youth musician's award, we recognize the musical and spiritual values which David Tonkonogui expressed through his music and his life. We welcome the nomination of Seattle area youth musicians who can demonstrate an interest in performing music related to or inspired by the Holocaust.

The winner will receive a **cash award of \$500** to support continuing musical studies, and an **invitation to perform at a Music of Remembrance concert**. *Must be under the age of 18 as of December 31, 2019 to apply.*
